

SWIFT

CLINGING BOWL CLEANER

SWIFT Clinging Bowl Cleaner is detergent-thickened 9.5% hydrochloric acid toilet bowl cleaner that effectively cleans and deodorizes porcelain, ceramic and vitreous china toilet bowls and urinals. Superb cleaning action removes hard water films and rust stains.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Use only on acid-resistant surfaces. Due to its strength, it is not recommended for use on chrome or other metal fixtures.

Toilet Bowls: Pour 2-3 oz. of SWIFT into toilet bowl and swab with bowl brush until clean or destained. Clean area under flush rim. For heavy stains, remove as much water as possible and repeat steps above. Flush and rinse when finished.

Urinals: Pour 2-3 oz. of SWIFT into urinal or on a wet swab or bowl brush in the urinal. Swab urinal. Flush to rinse. Repeat steps if stubborn stains persist.
